

Reduction of minimum Account-Based Pension payments for the 2010/2011 financial year

On 18 February 2009, the Government announced that it would reduce by 50% the minimum payment requirement for account-based pensions to assist pension account balances to recover from capital losses associated with the global financial crisis. The Government is continuing this measure for the 2010/11 financial year.

Which products are affected by this pension relief measure?

This relief applies to the Account-Based Pension offered by the Scheme.

What are the minimum pension withdrawal rates?

The table below provides a comparison between the standard minimum percentage and the percentage after the reduction is applied.

Will the new pension payment minimum automatically apply to my account?

No, it will only apply upon request.

Age	Standard minimum payment percentage	Temporary reduced minimum pension limits for the 2010/2011 financial year
Under 65	4%	2%
65 to 74	5%	2.5%
75 to 79	6%	3%
