REASONS FOR SUPPLYING YOUR TAX FILE NUMBER (TFN) TO THE TRUSTEE

We are required to tell you the following things before you provide your tax file number (TFN) to the Trustee of the Scheme. Your TFN is confidential, and you should know the following things before you decide to provide it.

We can collect your tax file number under the Superannuation Industry (Supervision) Act 1993.

If you do provide your tax file number to us, we will use it only for legislative purposes. This includes finding or identifying your superannuation benefits where other information is insufficient, calculating tax on any superannuation benefits you may be entitled to, and providing information to the Commissioner of Taxation (amongst other things to enable the Commissioner of Taxation to assess any tax payable on superannuation contributions made by or for you). These legislative purposes may change in the future.

You are not compelled to provide your TFN and deciding not to quote your TFN is not an offence. However, if you do not provide your TFN you may pay more tax on your superannuation benefits than is required – any additional tax may be reclaimed through the tax assessment process if you subsequently provide your TFN. It may also be more difficult to locate or amalgamate your superannuation benefits in the future to pay you any benefits you are entitled to.

These consequences may also change in the future due to legislative change.

If you provide your tax file number to us, we may provide it to the trustee of another superannuation fund or to an RSA provider where the RSA provider or trustee is to receive your transferred benefits in the future. We will not pass on your tax file number to such a trustee or RSA provider if you tell us in writing that you do not want us to do that. We may also give it to the Commissioner of Taxation. Otherwise your tax file number will be treated as confidential.

As a result of recent changes to legislation arising out of the 2006 Federal Budget it is important that you consider giving us your TFN.

If you or your employer do not provide your TFN to the Scheme by the end of the financial year, then all of your concessional contributions will be taxed at the top marginal tax rate, plus the Medicare levy, if they exceed \$1,000. For any accounts that begin after 1 July 2007, the \$1,000 threshold does not apply. Furthermore, your Scheme will not be able to accept any non-concessional contributions from you if we do not have your TFN.

For this reason it is crucial that you consider providing your TFN to the Scheme, either directly or through your employer, as soon as possible (if you have not already done so). You should also check your Member Benefit Statement to ensure that your TFN is correctly recorded. For more information please see the PDS or contact Member Services.

Some of the personal information you are requested to provide is required to establish and maintain your membership in the Energy Industries Superannuation Scheme while other information is required under Australian Government Anti-Money Laundering and Counter-Terrorism Financing measures.
