This Significant Event Notice (SEN) provides you with information on the improved services heading your way, notice of the period when transactions and online access will not be available, as well as other important information. Lifetime Pension members, please note we'll also be bringing forward one of your payments.

We're changing our administrator

To ensure we continually improve the services we provide to our members, we have decided to change the Administrator of our fund to Mercer (Australia) Pty Ltd from 1 October 2018. As a result of this change, there will be a pause in service from Wednesday 26 September 2018 to Monday 15 October 2018. Please note the transaction cut-off dates within this notice.

Improved services heading your way

Extended call centre hours

We know life is busy so we're extending our trading hours. Our **1300 369 901** call centre will be available from 8am to 8pm (AEST), Monday to Friday.

New, enhanced and mobile-friendly online account

We know our members are increasingly looking at their super online. That's why we're making significant improvements to your online account which will enable you to better manage your super. You'll also be able to contact us securely through your new online account.

More transactions online and over the phone

You will be able to make additional transactions, such as an investment switch, over the phone. We are committed to making it easier and simpler for you to manage your super savings.

Removing fees from your account

We're delighted to let you know the following fees will no longer apply:

- \$20 Switching fee (Contributing and Deferred member accounts);
- \$275 Request for Family Law Information fee (Contributing member accounts);
- \$110 Request for Family Law Information fee (Deferred and Lifetime Pension member accounts); and
- \$88 Family Law Benefit Split fee (Contributing, Deferred and Lifetime Pension member accounts).

Changes to how you make additional contributions

From 15 October 2018, personal or spouse contributions will **only** be able to be made by BPAY® or Cheque.

Your current BPAY® details will change and we will provide these to you through your new online account. BPAY® is the fastest and easiest way to make contributions.

If you make a contribution by Cheque, please send it with our contribution form so we know who is making the contribution and what type of contribution it is. You can find the relevant form at eisuper.com.au/forms.

Please note, contributions via Direct Credit, Electronic Funds Transfer (EFT) or Money Order **will no longer** be accepted.

These changes do not apply to Lifetime Pension members.

Protection when it's needed most

Currently, when a member passes away, the accumulation portion of their benefit continues to be invested in their investment strategy until the claim process is finalised, which may take several months. This means the account balance may be exposed to market fluctuations which can result in a reduction in the account balance.

To provide members with additional peace of mind, we will automatically switch a member's account balance to the cash option upon formal notification (receipt of statutory documents) of their death. This will ensure the benefit is protected for the member's beneficiaries.

Please note, this change does not apply to Lifetime Pension members.

What do these changes mean for you?

There will be a pause in service that will start on Wednesday 26 September 2018 and we will return to business as usual on Monday 15 October 2018. If you need to make a transaction such as an investment switch or withdrawal, please do so before the cut-off dates on the next page.

Transaction type	Cut-off dates
Paper based transactions	Paperwork must be received by us before 5pm Tuesday 25 September 2018.
Electronic transactions	Transactions via your online account must be made before 5pm Wednesday 26 September 2018.

Please give yourself enough time to get your paperwork to us, especially if you're using Australia Post. Transactions received after the cut-off dates will be held and processed by Monday 15 October 2018.

Your online account moves to read-only access from 5pm Wednesday 26 September 2018 and will then be closed at 5pm Friday 28 September 2018. This will be replaced by your new online account which will be available from Monday 15 October 2018.

Please note, super contributions made by your employer will continue to be accepted and will be processed by Monday 15 October 2018.

Lifetime Pension members

The pause in service means we will be bringing forward one of your fortnightly pension payments, with fortnightly payments resuming on 25 October 2018.

Each year in October, your pension is adjusted in line with the Consumer Price Index (CPI) to take into account the rising costs of living. If applicable, your payment on 25 October 2018 will include the CPI adjustment and include any adjustment that was due on the brought forward payment of 11 October 2018. Please see the revised schedule for your fortnightly pension payments below.

Current Pension Payment Due	New Pension Payment Due
27 September 2018	Received on or around 27 September 2018 as scheduled.
11 October 2018	Brought forward and received on or around 27 September 2018.
25 October 2018	Received on or around 25 October as scheduled, plus we'll take into account your CPI increase, if applicable, for this payment and the payment originally due on 11 October 2018.
8 November 2018	Received on or around 8 November 2018 as scheduled. This will be your usual fortnightly payment going forward including the CPI increase, if applicable.
