Step 2. Election to Reinstate My Insurance Cover

- I acknowledge that I have read and understood the Product Disclosure Statement and received all information I require in order to exercise my choice to reinstate my insurance cover.
- I wish to have my cover reinstated at the level it was prior to the cancellation for inactivity.
- I understand reinstatement is subject to certain conditions. I will be advised of the outcome of my election and any further information that may be required.
- I wish to keep all of my insurance arrangements currently provided within my super fund, even if my account has not received a contribution or roll in for 16 months or more.
- I understand that I must pay any premiums owing from when my insurance was cancelled and continue to pay premiums as they become due in the future. I acknowledge that premiums will be deducted from my account.
- I understand the cost of my insurance is deducted from my investment options based on the fund's rules, and I confirm that this election will continue to apply even if I change my investment options.
- I understand that if there is not enough in my super account to pay the cost of my insurance, my insurance cover will be cancelled.
